You've got what it takes

Ask RUOK?

or something like this:

"How are you? Have you been doing alright?"

No, I'm not OK.

Dig a bit deeper:

"What's been going on?"

"How long has that been the case?"

"I'm ready to listen if you want to talk."

Yes, I'm fine.

But your gut says they're not:

"It's just that you don't seem your old self lately."

> "I'm always here if you want to chat."

"Is there someone else you'd rather talk to?"

Listen; don't judge

Encourage action and offer support:

"How can I help?"

"What would help take the pressure off?"

"What do you enjoy doing? Making time for that can really help." "Have you thought about seeing a professional?"

Make time to check in:

"Let's chat again next week."
